NAMIWalks

The NAMIWalks is NAMI's signature fundraising and public awareness walkathon event. The focus of this effort is to build a world-class treatment and recovery system for people affected with mental illness. All proceeds from the local NAMIWalk will be used to fund and expand NAMI's education, support and advocacy programs in our Quad-City community.

For more information, contact Sharon Kendall Dunn, 332-1766.
